**INTERPRETATION OF
ART MOVEMENT**

FUTURISM

PERSONAL STATEMENT

I do not like Futurism.

PERSONAL STATEMENT

**I do not like their art, manifest
and ideology.**

They wanted to destroy all artworks created before their era. They wanted to burn down all museums, galleries and libraries.

**So I decided I would destroy
their art.**

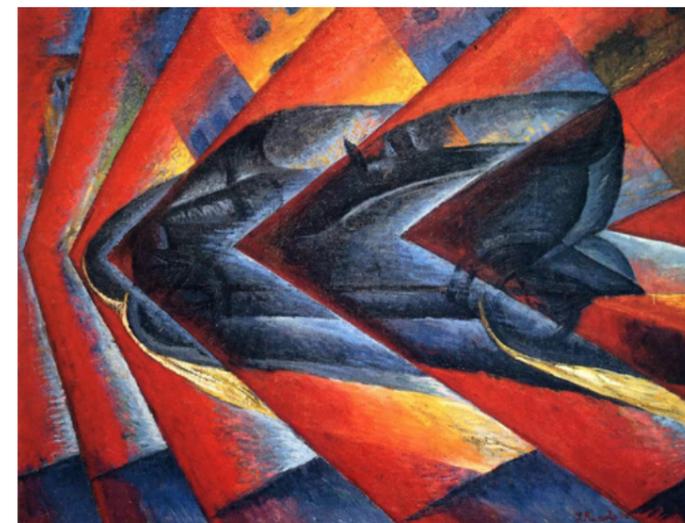

They wanted to depict energy and dynamism. They wanted their paintings and sculptures to be in constant movement.

**So I decided I would finish
their paintings. I would get
them moving.**

I picked up 4 paintings.

**And destroyed each into
many pieces.**
